Under the ordinary rules all leave at credit lapses on the date of superannuation (2·7·35), and the following special concessions were allowed to him ~~xxx~~ last year

(a) Leave on half pay for 27 days D
from 5th to 31st Mar. 1936 — as against 22 days available at his credit — with a relaxation of the restriction of the rule about combination of privilege leave with vacation which allowed only 8 days' leave being granted (this was allowed in view of the lapse of leave on the date of his superannuation)

(b) As he could not return at the end of the vacation he was allowed an extension of the vacation" for 5 days E
from 24th to 28th June 1936 — only half pay being allowed during this ~~xxxxx~~ extended period of vacation

The concessions that Dr. Metcalfe now asks for are indicated

below :—

(i) Leave on full pay for 3 months & 7 days from 24.6.37 to 30.9.37.

Under the ordinary rules, Dr Metcalfe may be entitled to priv. leave on half pay for about one month only The basis on which he claims full pay leave for 3 m. 7 days appears to be that he had about 4½ months furlough on full average salary on date of superannuation It was on this account that last year some concessions were shown The grant of this leave also involves the following subsidiary concessions :—

(a) Leave allow. during furlough on average salary are subject to a maximum limit of Rs 1500 p.m. (Art 212 (a)). He wants now → leave on full pay — at Rs 2000. He is a vacation officer entitled to only ½ pay privilege leave.

So what kind of leave to be given and on what pay & for what period

(b) The restriction of Art. 189(3) about Combination of privilege leave + vacation not exceeding 3 months — may have to be relaxed

(ii) Return passages

European Professors are entitled to grant of two return passages (1 for the officer & for his wife) in their entire course of their service. ✱ App. P. of M.S.

This Concession was extended to Dr Metcalfe after he became Vice-Chancellor and he has already availed himself of this concession to the full limit admissible.

His request ~~is~~ for another set of Return First class passages for himself & his wife – is for order

4)

The total period of ~~his~~ absence of Dr. Metcalfe will amount to 6 months – of which 3 months will be vacation – and formal acting arrangements may be needed for the leave period of 3 m. 7 days, the officer doing the duties of Vice-Chancellor during the vacation not being ~~entitled~~ eligible for any extra allowance for the period unless specially granted.

Dr Metcalfe wants the decision of Govt. to be communicated early so as to facilitate arrangements for breaking up, continuing his domestic establishment here as the case may be

I agree with the Chief Secretary. Extension of service of any officer should generally be on the same terms which were previously in force or on less favourable terms and in no case on more favourable terms. In the present case he wants better terms

Dr. Metcalfe wants:

(1) Leave on full pay for three months and 7 days from 24-6-1936 to 30-9-1936 in continuation of the vacation from 1-4-1936 to 23-6-1936, i.e., a total absence of six months.

(2) Return passages for himself and his wife (P and O First Class).

(3) Extension of service presumably for one year till 2nd July 1938.

Regarding (1), it is to be stated that when Dr. Metcalfe asked for Furlough on full average salary last year it was held that he was not entitled to leave on full salary and only leave on half pay for 27 days (against only 8 days at credit) was sanctioned as a special case. The total period of absence last year was only ~~one~~ about four months (including Vacation) ~~and two days~~. There are no new grounds or facts justifying the grant of leave on full pay and that too for such a long period as three months and seven days. Further as pointed out in the note of the Confidential Branch, during Furlough the maximum average salary which can be given is only Rs.1,500, while he wants Rs.2000. Grant of privilege leave in excess of one month in continuation of the vacation is also not admissible.

With regard to (2), only two passages are admissibl

to European Professors in the whole of their service, and Dr. Metcalfe had already availed of them. The passage, a second time, was allowed to him as a special case last year, when he ceased to be a Professor. The grant of passage money a third time for now is not contemplated and is not admissible. Even if leave on full pay and passage are allowed, there is a practical difficulty. The payment of leave allowances and passage money are contingent upon the officer re-joining duty at the expiry of the leave about which he is not in a position to give a definite reply now. If the Officer finds that he cannot return and has drawn the leave allowances and passage money in the meantime, it will be difficult to recover the amounts so paid away.

If extension is granted, ~~in respect of (b),~~ I would suggest that the period of extension may be up to the commencement of vacation instead of up to ~~the end of the vacation, viz.~~ 2nd July

(d) In conclusion, I would state that the utmost which can be granted is leave on half pay earned by him (about a month) in continuation of the vacation (the balance of leave being on no pay) and extension of service up to the commencement of the ~~next~~ 1938 vacation and that leave on full pay and Passage money are inadmissible and should not be given

Final Note by the First Member of Council.

Subject.— Arrangements for work during the absence of Dr. Metcalfe, Vice-Chancellor on leave, in continuation of the Summer Vacation.

1✓ Dr. Metcalfe, Vice-Chancellor of the University attained the age of superannuation on the 2nd July 1935, and the second period of extension of service granted to him expires on the 1st July 1937. Dr. Metcalfe was willing to continue for another term if he was permitted to proceed on leave for about six months. This was agreed to and he was informed by Government that it would not be possible to sanction any concessions such as leave on full pay and grant of return passages etc. which were not permissible under the rules. As these terms are not acceptable to Dr. Metcalfe, it is proposed to permit him to retire at the end of the present extension. Dr. Metcalfe requests in this connection that he may be permitted to sail from India on the 1st April, and allowed the benefit of the vacation and also granted leave on full pay for nine days in continuation of the vacation, preparatory to retirement. It is proposed to sanction these requests. The Financial Secretary is of opinion that Dr. Metcalfe can be granted leave for nine days only on half pay, as he is an officer of the Vacation Department. I think this small concession may be shown to him.

2 As regards consequential arrangements, the subject was considered in Council on the 10th March 1937, when it was resolved as follows:-

"(1) Mr. N.S. Subba Rao to act as Vice-Chancellor on a salary of Rs.1,750 per mensem.

(2) Mr. A.R. Wadia to act as Director of Public Instruction on a salary of Rs.1,200 per mensem. (With effect from the 24th June 1937.)

(F. N.—contn.)

Note:- The Principals of the two colleges may be classed along with the Director of Public Instruction for purposes of Precedence according to relative seniority."

Para 19 P 20.25.

VI The Financial Secretary is of opinion that in the case of Mr. Wadia, a pay of Rs.1,100 might have been considered enough. But in view of the fact that Mr. Wadia has been drawing the same pay of Rs.1,000 from 1928, the salary of Rs.1,200 now offered is not excessive.

VII The Resolution of the Council may be graciously approved

UNIVERSITY OF MYSORE

MYSORE.

Dated,.....19

Bangalore.
22nd Feb: 1937.

26-2-37

Dear Sir Mirza.

upd. MS 26/2

I feel very deeply obliged to you for your kind offer of a further extension of service. You are already acquainted with the circumstances in which I am placed; and with the fact that I had made my arrange-ments for retiring at the end of the present period of extension, feeling compelled to do so chiefly on account of the unsatisfactory condition of my wife's health.

Although my wife has fortunately made a remarkable recovery from her precarious condition of five months ago; she is still obliged to be most careful and is under strict orders by her London physician to return to England this spring. It is quite necessary that I should accompany her and, for several reasons, that I should remain in England for five or six months.

With regard to the question of my return to Mysore, I feel that an offer of an extension made in such a kind fashion by you and so graciously supported by His Highness should be accepted, if possible. That possi-bility depends on my wife's being permitted by her doctors to return for another cold weather - or at least, on our being sufficiently

sure of her well-being to justify me in leaving her by herself in England during my absence. This can be determined only after further consultation with Professor Ryle, her physician, in London.
I would therefore ask you to be so good as to permit me to give my final answer to your kind offer from London as soon as possible after my arrival there.

If I find (as I hope I shall) that I am not prevented from returning, I beg that you will kindly allow me to do so towards the end of September on the following terms

1. Salary as at present until 2nd July, 1938.
2. Leave in continuation of vacation on full pay.

(1)

(2) 3. Return passages for myself and my wife (if she should return) at P. & O. first class B rate.

With regard to No 2 I may point out that I surrendered more than this amount of full pay leave under the rules on super-annuation: and that I have since "earned" a little more.

With regard to No. 3.— in 28½ years of service I have had the benefit of the free passage concession only twice. The cost of two return passages would be somewhere about Rs. 2700— a somewhat important amount to me in view of the heavy expenses to which I have lately been put.

UNIVERSITY OF MYSORE

I should feel obliged if you would kindly let me know at your earliest convenience if the foregoing is acceptable since I should, in that case, arrange to retain my furniture in the Mysore house and my motor car - which I should need again on my return.

Yours sincerely

E. D. Metcalfe.

Dear Dr. Metcalfe,

In your letter dated the 22nd February 1937 to the Dewan communicating the terms which you would like to be acceded to in connection with the extension of service offered to you, you have made the following requests:-

(1) Permission to give your final answer in the matter after your arrival in England, and, in case you are able to return, to allow you to do so towards the end of September.

(2) Salary as at present until 2nd July 1938.

(3) Leave in continuation of vacation on full pay.

(4) Return passages for yourself and Mrs. Metcalfe (if she should return) at P. O. First Class B. rate.

With reference to the above, I am to state that Government will be glad to comply with your requests to the maximum extent admissible under the rules. There is no objection to allow you time to communicate your final decision in the matter until after your arrival in England, and to permit you to resume charge of your duties as Vice-Chancellor towards the end of September. It also goes without saying that you will be allowed salary at the present rate during your extension also for the period you will be on duty.

The Mysore Service Regulations permit of your having privilege leave on half salary up to 1 month in continuation of the vacation, and any leave beyond this limit will have to be treated as leave without allowances. Government find it extremely difficult to see their way to allow any relaxation of the rules in this respect. As regards Passages, I am to state that only two ~~sets of~~ passages in the whole course of an officer's service are admissible under the rules and it is very much regretted that the grant of return passages on the present occasion is not admissible.

Dated 193

11th. March. 1937.

Dear Mr. Kesavaiengar.

I am very much obliged to you for your kind letter communicating Government's views on the requests I ventured to place before the Dewan.

I note that Government are not disposed to consider going beyond what is authorised by M.S.R.

I recognize, of course, that the offer of an extension of service is, in itself, of the nature of a considerable concession, for which I am grateful. Were I not absolutely obliged to travel at this time to England and to spend some time there, a further year's extension would be of considerable advantage to me. But as things are, putting the position quite frankly, the cost of passages and of living and the incidental expenses entailed in returning for a further period, added together, amount to so little less than income according to the terms stated in your letter as to make returning a very doubtful proposition, financially.

To make my own position quite clear, I wish to say that I would not have troubled Government with the suggestions I made in my letter to the Dewan had I not thought it possible that Government might be willing to stretch a point in order

to meet my own problem in the matter of returning. I do, however, fully appreciate Government's desire to adhere to the rules of service.

My service, then, I take it, will terminate on the 2nd. July. I would ask Government to permit me to leave on April 1st. from Cochin, according to my present sailing arrangements, handing over charge on March 31st., the last day of term, allowing me the benefit of vacation and granting me leave in continuation for about 9 days preparatory to retirement.

This may be done if admd

I am very grateful to Government for the two extensions already granted and for the uniform kindness and courtesy with which I have been treated during my service.

Yours sincerely,

C. A. Mercalfe.
